

Pastoral Letter.

Dear Parishioners,

The Grace and peace of Christ be with you.

You may have wondered why you have not seen me presiding over the Eucharist Celebration recently.

I have been unwell, on Sunday 19<sup>th</sup> September I underwent an appendectomy, it took two hours, and the surgeon said he was happy with the outcome, but it was messy.

After 5 days as a patient in Peninsula Private I was discharged on Wednesday 22<sup>nd</sup>, now I need time to Recuperate.

Please refer all Parish matters to Fr. Jude until further notice.

I am looking forward to seeing you all again, once I have the energy to do so.

Please keep me in your prayers.
